

## **Non – Sufficient Fund Checks:**

If you have paid for a P & R Program by check and the check has been returned to the Town of Clinton for insufficient funds you will be charged a fee of \$20.00. Therefore, you must pay the Park and Recreation Department for the program plus the additional fee of \$20.00 with a certified check, money order or cash (not with another personal check). Anyone who has an outstanding balance with the Parks and Recreation Department will not be allowed to register their children for additional programs until they clear up their previous balance.
